

# SIX REASONS WHY YOU SHOULD BUY YOUR GLASSES AT GAILMARD EYE CENTER

1. **FAST SERVICE.** We have our own surfacing laboratory and four full-time opticians so that your glasses can be made fast. Most prescriptions are ready in 1 hour.
2. **ONE-YEAR WARRANTY.** All eyeglasses (excluding promotional and budget purchases) carry a one-year guarantee against breakage at no additional charge. If your glasses break, for ANY reason, just return the broken parts and your glasses will be repaired or replaced free!
3. **15-DAY EXCHANGE PRIVILEGE.** After getting your new glasses, if you decide you don't like the frame, you can exchange it for any other frame. If new lenses are required, a small lab regrinding fee will be charged. This regrinding fee varies with the type of lens used; check with the receptionist.
4. **HUGE SELECTION OF FRAME STYLES.** Our dispensary has over 3,000 frames in stock, more than 6 times that of the average office. Our frame stylists will help you find the perfect size, shape, and color in your price range. **WE HAVE CURRENT FRAME STYLES PRICED AT \$35.00.** Our unique Video Camera takes a Polaroid picture of you in your new frame! Take it home and show the family for comments and suggestions.
5. **ALL PLASTIC LENSES HAVE A SCRATCH-RESISTANT COATING AT NO EXTRA CHARGE.** This factory-applied coating makes plastic lenses very tough-it is guaranteed for 1 year not to scratch, or the lenses are replaced free. (Only 1 replacement pair per year. This coating is an optional, extra charge for some vision plan prescriptions.)
6. **WE STAND BEHIND OUR PRESCRIPTION.** Our doctors are available to review your prescription needs if you have difficulties (at no charge). We want you to love your glasses!
